#### You Got the Power

The NVIDIA® GeForce® GTS 250 graphics card delivers best in class graphics performance in the hottest games of this season like *F.E.A.R. 2: Project Origin*. Immerse yourself in full NVIDIA® PhysX™ gaming and bring your games to life with massively destructible environments and ultra-realistic physical interaction in games such as *Mirror's Edge* by Electronic Arts Inc. With full support for NVIDIA® GeForce® 3D Vision™ experience over 350 games in stereoscopic 3D\* and give your eyes something to talk about.

\*Stereoscopic 3D requires an NVIDIA 3D Vision kit consisting of wireless GeForce 3D Vision glasses, emitter and a 3D Vision-Ready display.

## Nvidia GeForce GTS 250

The NVIDIA® GeForce® GTS 250 graphics card delivers world-class HD graphics performance plus GPU-accelerated NVIDIA® PhysX™ gaming effects, lightning fast video and image processing, and full NVIDIA® 3D Vision™ support allowing you to game in true stereoscopic 3D.

Processor Cores: 128 / Graphics Clock (MHz) 738  
Processor Clock (MHz) 1836 / Memory Clock (MHz) 1100  
Memory Interface Width 256-bit  
Maximum Digital Resolution 2560x1600  
Maximum VGA Resolution 2048x1536
