RoHS Compliance Statement for AMW LCD TFT Monitor Model X1900DS

We hereby certify that the above mentioned monitor complies with the Restriction of Hazardous Substances Act forceful from 1st July 2006 which specifies predominantly as follows :-

The product does not exceed the following proportionality of materials :-

- 0.1% by weight in homogenous materials for lead;
- 0.1% by weight in homogenous materials for hexavalent chromium;
- 0.1% by weight in homogenous materials for mercury;
- 0.1% by weight in homogenous materials for polybrominated biphenyls;
- 0.1% by weight in homogenous materials for polybrominated diphenyl ethers;
- 0.01% by weight in homogenous materials for cadmium;

The product is therefore stated as fully compliant with directive 2002/95/EC and its subsequent annexes and amendments.

Yours faithfully,
For and on behalf of PGE Corporation Limited
